

## MEETING MINUTES May 2016

Present:

Monika, Radu, Flavius, Matt, Cipi, Yuriy, Alixandru, Iacob, Francis, Patrice, Flavius, Matiss, Luci

Monika's birthday is May 27 – Happy Birtdhday!

Unfortunately Lucas didn't work out and we had to let him go. We are still looking . Referrals are always welcome so if you know of anybody please let us know.

Congrats Sandu for keeping your area so clean.

We will be also getting a new sanding table so that should help even more out with dust elimination. Francis bought some new electrical connection wires that will be hung up on the ceiling, as well as some new air hose reels which have air coming from up above the ceiling. This will eliminate tripping hazards.

We have also visited our friends at Beckville Woodcrafts. You guys have seen how clean their shop is. From so many shops we have visited they are by far the leanest and cleanest we've seen. Last time when we asked "what improvements did you see at Beckville that we could implement "Some suggestions were made that the floors could be kept cleaner, Francis has bought some more dust mops so that will help. Also we are fixing our pneumatic scissor lift table in order to make it more ergonomic for the cabinet assembler.

Thurlow job is coming along nicely and we are almost at the end. Everyone has done an amazing job and when it is finished we'll have a field trip day followed by Spaghetti Factory lunch. The dates will be announced shortly .
