Welcome to our new employee Roger Reddy. He has been working as a woodworker since 1986. We won't divulge his age :P

He comes from Stilewood International – Port Coquitlam and worked there as a supervisor/ lead hand where he worked for 7 years. Before that he worked at Accra Woodwork as a machinist and woodworker for another 7 years. After his orientation and shadowing Cipi and Iacob for a few weeks he should be ready to be a cabinetmaker.

As you guys probably know Vlad had a car accident a few weeks ago so he'll be on a Leave of Absence for an undetermined period of time. Robert Egyed will be replacing him. He just graduated high school this summer and does not have that much experience, so please take him under your wings and be easy on him.

His last job was as a maintenance assistant at Brantford Condominiums. With us He will start out as shop helper/ floater. Gradually as he gets more experience we will introduce him to using a drill gun and assembling cabinets.

Robert will start by clearing out the mezzanine. Cipi please guide him in what needs to be kept, and what can be thrown away. If needed call Progressive Waste – we might need an extra pick up. Ask Yoshi also on which hardware needs to be kept, which one needs to be sent back to Richelieu.
